

Office Memorandum on Time limit for validity of TOR prescribed under EIA notification 2006

Office Memorandum dated 22.03.2010 'Time limit for validity of TOR prescribed under EIA notification 2006 for undertaking detailed EIA studies for development projects requiring environmental clearance – regarding.'

Recently as it is seen for the coal blocks which were undeveloped as per the schedule agreed upon, de-allocation of blocks has taken place and forfeiting of bank guarantee has taken place. Terms of Reference which is a scoping exercise is thus not a static document / guideline for a longer period.
