

## Minerals found in Jharkhand

State	Minerals Found in Respective Districts	Brief Summary and Important Links	
<b>JHARKHAND</b>			
<b>Bokaro</b>	Coal, Limestone	Coal remained the leading mineral in terms of its contribution to the total value of mineral production in the state, this makes Jharkhand the 4th state and contribution to total production remained at 7.72%. The value of major minerals in 2010-11 remained at Rs. 16402.08 crore, up by 6.35% from the previous year. Minor minerals in the state remained at Rs. 40.14 crore, much lesser than as compared to other states. Jharkhand also is a major producer of copper concentrate, quartzite and iron ore.	
<b>Deogarh</b>	Coal, Felspar, Quartz/Silica Sand, Granite		
<b>Dhanbad</b>	Coal, Felspar, Fireclay, Limestone, Quartz/Silica Sand, Granite		
<b>Dumka</b>	Bauxite, China clay, Felspar, Fireclay, Quartz/Silica Sand, Granite		
<b>East Singhbhum</b>	China Clay, Copper, Gold, Iron Ore (M), Kyanite, Manganese, Dunite, Quartz/Silica Sand, Quartzite, Apatite, Chromite, Cobalt, Nickel, Gold and Silver, Asbestos, Barytes, Granite, Titanium		
<b>Garhwa</b>	Dolomite, Limestone		
<b>Giridih</b>	Coal, Felspar, Fireclay, Limestone, Mica, Quartz/Silica Sand, Granite		
<b>Godda</b>	Coal, Fireclay, Quartz/Silica Sand, Granite		
<b>Gumla</b>	Bauxite, Iron Ore (M), Granite		
<b>Hazaribagh</b>	China Clay, Coal, Copper, Felspar, Fireclay, Iron Ore (M), Limestone, Quartz/Silica Sand, Garnet, Granite		
<b>Jamtara</b>	Felspar		
<b>Kharaswan</b>	Kyanite		
<b>Koderma</b>	Felspar, Mica, Quartz/Silica Sand, Granite		
<b>Latehar</b>	Bauxite, Felspar, Iron Ore (M)		
<b>Lohardaga</b>	Bauxite, China Clay, Granite		<a href="#">More information</a>
<b>Pakur</b>	Coal, Bentonite		<a href="#">RTI Link</a>
<b>Palamu</b>	Bauxite, Coal, Dolomite, Felspar, Fireclay, Graphite, Iron Ore (M), Limestone, Quartz/Silica Sand, Barytes, Granite	<a href="#">State Human Rights Commission</a>	
<b>Ranchi</b>	China Clay, Coal, Felspar, Fireclay, Limestone, Quartz/Silica Sand, Granite, Titanium	<a href="#">Public Consultation</a>	
<b>Sahebganj</b>	China Clay, Quartz/Silica Sand, Bentonite	Environment Clearance: SEIAA not constituted	
<b>Saraikela</b>	Kyanite		
<b>West Singhbhum</b>	China Clay, Fireclay, Iron Ore (H), Limestone, Ochre, Quartz/Silica Sand, Quartzite, Asbestos
