Further, Periodic Labour Force Survey (PLFS) report (July 2019 - June 2020) reveals that literacy rate for STs increased to 70.1%. According to Unified District Information System for Education (UDISE) Plus reports published by Ministry of Education, Gross Enrolment Ratio (GER) for ST students at Senior Secondary (classes IX-X) level has increased from 62.4% in 2012-13 to 76.7% in 2019-20. Also, percentage of ST people living below the poverty line in urban areas has declined from 35.5% in 2004-05 to 24.1% in 2011-12. However, there are still gaps in human development indicators between STs and all India population.

Besides, Ministry of Tribal Affairs, 40 Central Ministries / Departments have been obligated by NITI Aayog for earmarking certain percentage of their total Scheme allocation every year as TSP funds for tribal development. (d): The Ministry of Tribal Affairs is in the process of seeking approval of the competent authority for continuation of the of schemes of the Ministry along with some modifications therein based on the recommendations of the evaluation reports in respect of schemes of the Ministry.

(e): The primary responsibility of implementation and monitoring the performance of the schemes / programmes is that of the State Governments.
